Government Renewable Energy Development Agency

GOVERNMENT E-TENDER / REQUEST FOR PROPOSAL

Design, Supply and Installation of Rooftop Solar PV Systems

Tender ID: REDA/SOLAR/2026/072
Issue Date: 06 Sep 2026
Submission Deadline: 30 Sep 2026, 17:00 IST
Delivery Location: Nashik District, Maharashtra
Estimated Tender Value: ■62,00,000
EMD: ■1,24,000

1. Scope of Work

Survey, design, supply, installation, testing and commissioning of grid-connected rooftop solar photovoltaic systems across selected government buildings.

2. Schedule / Item Requirements

Item	Qty	Key Specification
Solar PV Modules	100 kW	Mono-crystalline modules, minimum 540 Wp per module, BIS-compliant
Grid-Tied Inverters	100 kW	String inverters with monitoring, protection and remote diagnostics
Mounting Structure	1 Lot	Hot-dip galvanized structure suitable for rooftop installation
Monitoring System	1 Lot	Web-based generation monitoring and performance reporting

3. Mandatory Eligibility Criteria

• Bidder must hold valid GST registration.

• Bidder must be registered under applicable business/MSME provisions.

• Minimum average annual turnover of ■30,00,000 over the last 3 financial years.

• At least 3 completed rooftop solar projects with cumulative capacity of 100 kW or more.

• Relevant electrical/solar installation authorization or qualified technical personnel is required.

• Bidder must provide after-sales service within Maharashtra.

4. Documents to be Submitted

• GST certificate

• MSME/Udyam certificate or business registration

• Last 3 years audited financial statements

• CA turnover certificate

• Completion certificates / work orders for solar projects

• Technical staff qualification details

• Electrical authorization/licence where applicable

• Manufacturer/OEM authorization

• Non-blacklisting declaration

5. Delivery, Warranty and Commercial Terms

Delivery: Installation and commissioning within 60 days from site handover.
Warranty / Support: Minimum 5-year system workmanship warranty; equipment warranties as specified by

manufacturers.
Payment: Payment will be released after delivery, inspection and acceptance as per tender conditions.

6. General Conditions

The bidder must submit complete and accurate information. The procuring authority may verify eligibility, past performance, statutory registrations and submitted certificates. Late submissions may be rejected. This document is a synthetic sample tender created for testing an AI Tender Assistant and is not an actual government tender.
